Dear Mr. Henderson:

Re: Amended Notice of Intention to Commence Small Mining Operations, E & B Claim #1, S/027/034 and E & B Claim #2, S/027/035, Millard County, Utah

Thank you for forwarding the latest Notice of Intention to Commence Operations for Earl W. Copfer Jr.'s E & B Claim #1 Project, located in Sec 23, T19S, R8W, and E & B Claim #2 Project, located in Section 10, T24S, R9W, Millard County, Utah. Your agency's designated numbers for these projects area UTU-070676 and UTU-070677 respectively.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intents for completeness. Because these are ongoing operations (assessment work every year), we have categorized the projects as "Small Mining Operations". This will alleviate the necessity of the operator having to refile a notice with this office every year. The Notices meet the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

Thank you for your cooperation. If you receive further information or amendments for these operations, please notify us so we will be able to update our files. Please reference our designated file number S/027/034 for E & B Claim #1 and S/027/035 for E & B Claim #2 when forwarding additional information on these projects to us.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
